THE FERRET CAN SEE AND REACH WHERE YOU CAN'T

FERRET LITE

Part # DB00946

The Ferret Lite is a general-purpose high-quality inspection camera that gives eyes inside hard to reach locations. It includes award-winning handy features with the addition of the always up viewing mode to help with intuitive inspections. If you like to keep things simple & don't need all the bells and whistles, the Ferret Lite is the ideal cost-effective solution to help on the job or at home.

FERRET PRO

Part # DB00947

The Ferret Pro is a professional and durable next generation inspection tool designed and engineered with award-winning features to provide easier, faster & safer visual inspections. Includes App controlled variable focus lens and super fast charge. If you need to locate and pull in cable or need to get your eyes on something out of reach then Ferret Pro is the perfect tool. Ideal tool for electricians and other trades.

FERRET PLUS

Part # DB00948

The Ferret Plus brings you the ultimate innovation in inspection technology. Includes built-in (on board) memory and the first ever non-contact voltage detector that is not handheld to help detect live cables from a greater reach than ever before. Perfect for someone who loves having the latest technology to work easier, faster & safer. Suitable for electricians, plumbers, builders, HVAC, lighting installers + more.

FERRET ACCESSORIES

FERRET STICK

Part # DB00949

Introducing the new & improved Ferret Stick with grooved design to prevent your camera from twisting. The Ferret Stick is an extendable rod made of high quality materials. It extends up to 140cm in length with a 1/4" 20UNC thread, which is compatible with all Ferret products.

⚠ Do not use the Ferret Stick near live power.

FERRET WRISTBAND

Part # DB00950

The Ferret Wristband is a universal phone holder that will securely attach any smart phone from 3.5" up to 6" to your wrist. With a 360° rotatable front section the phone can easily be turned to the perfect angle needed for any situation.
