Packaging - 5 per carton

This bulletin is intended to clearly present product data and provide technical information that will help the end user with design applications. If there is any data which is not covered here, then please contact our Application Engineers at Bussmann, Burton, UK.  
Bussmann reserves the right, without notice, to change design or construction of any products and to discontinue or limit distribution of any products. Bussmann also reserves the right to change or update, without notice, any technical information contained in this bulletin. Once a product has been selected, it should be tested by the user in all possible applications.
