

PHSL Plinth Heaters - Wireless Controlled

Cleverly concealed in the 'kick space' beneath counters, displays and kitchen units, stairwells and fitted furniture, these heaters are suitable for both commercial and domestic environments.

Provides instant heat where space is at a premium and discreet yet effective heating is required. These slimline plinth heaters require a minimum kick space height of only 100mm thereby offering increased installation options.

- 2kW or 3kW rating
- Wireless controlled by separately purchased SL or CRXSL controller
- One SL or CRXSL controller can operate multiple SL heaters
- Choice of controllers:
 - SLPB: Run-back timer and thermostat
 - SLVT: Run-back timer and adjustable thermostat
 - SLVTB: Battery-powered run-back timer and adjustable thermostat
 - CRXSL: Programmable 7-day timer and thermostat
- Four different finishes (Black, Brown, Stainless Steel and White)
- Easy installation and maintenance
- Fan only setting for air circulation in warm weather
- Minimum kick space height of only 100mm
- Automatic safety cut-out
- LED indicator light
- Fitted with 2.2m of supply cable
