

PSL Panel Heaters - Wireless Controlled

The new collection of stainless steel and white SL panel heaters are slim and contemporary in design. They have strengthened grilles to increase durability. The wall mounting system features a new snap-on bracket which allows easy installation, cleaning and decorating. Furthermore, they are economical to run, splash proof and very quiet in operation making them the perfect choice where space saving and efficiency with style are paramount. Suitable for domestic and commercial use in areas such as bedrooms, kitchens, bathrooms, laundries and offices.

- 0.5kW, 0.75kW, 1kW, 1.25kW, 1.5kW or 2kW rating
- Very quiet operation
- Wireless controlled by separately purchased SL or CRXSL controller
